This book is an original collection of word-search puzzles. The puzzle grids, layout, answer keys, and compilation were created specifically for this edition.

The book uses common words, names, concepts, and short phrases associated with November, autumn, Thanksgiving, and related seasonal subjects. Such individual words and short phrases are generally not protected by copyright on their own.

No affiliation with or endorsement by any referenced person, brand, character, company, or other third party is intended.

HOW TO PLAY

- Find every word listed below the puzzle.
- Words may be hidden horizontally, vertically, diagonally, forward, or backward.
- Two-word entries appear with a space in the word list but are continuous in the grid.
- Example: PUMPKIN PIE appears in the grid as PUMPKINPIE.
- Answer keys for all 70 puzzles are located in the back of the book.
- Grids use large-print letters for easier reading.
